**To ratify implementation of National Educational Policy 2020 in the University**

National Educational Policy 2020 aims to transform the education system in India and make it at par with international standards. It also emphasizes on providing quality education to all, regardless of their socio-economic background. This is a significant step forward for India's education system. It will bring about massive reform and change in the country and its people.

This National Education Policy aims at building a global best education system rooted in Indian ethos, and aligned with the principles enunciated above, thereby transforming India into a global knowledge superpower.

The new education policy provides to all students, irrespective of their place of residence, a quality education system, with particular focus on historically marginalized, disadvantaged, and under-represented groups. Education is a great leveler and is the best tool for achieving economic and social mobility, inclusion and equality. Initiatives must be in place to ensure that all students from such groups, despite inherent obstacles, are presented with (and are made aware of) various targeted opportunities to enter and excel in the educational system.

On the lines of vision of NEP-2020, Central University of Jammu has adopted the same in letter and spirit and has started its effective implementation.
